

MD HQL CLASS

This Course satisfies the course requirements of training needed to apply for the Maryland Handgun Qualification License.

Firearm Instruction, Responsibility and Safety Training--is the Program's response to the needs of new shooters. The Program provides hands-on instruction for the safe handling and proper operation of a firearm. This is a 4 hour course. .

“The course must include an overview of the State's firearm laws, including a discussion regarding what constitutes a regulated firearm, how to properly purchase or transfer a firearm, where applicants are permitted to carry or transport a firearm, when it is necessary to possess a wear and carry permit, and who is prohibited from possessing firearms.”

**Students will receive
The Maryland Handgun Qualification License Certificate of Training.**
